

Posters and Stickers of Farmers' Movements (2)

We have a terrible famine!!! Cancel sharecropping fees!!! We resolutely oppose anything that lowers the farmer's livelihood. Sharecroppers, join the National Farmers Union!!! The Hokkaido chapter of the National Farmers Union

19--

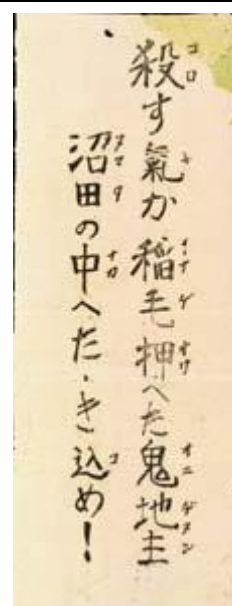

12x28cm

Our rice crops will be seized for auction! Do not have any sheaf of crops knocked down to the monster landlord! It is a shame for farmers to have our crops knocked down to the landlord! Let us take back the rice crops that we grew with the sweat of our brow!

1928

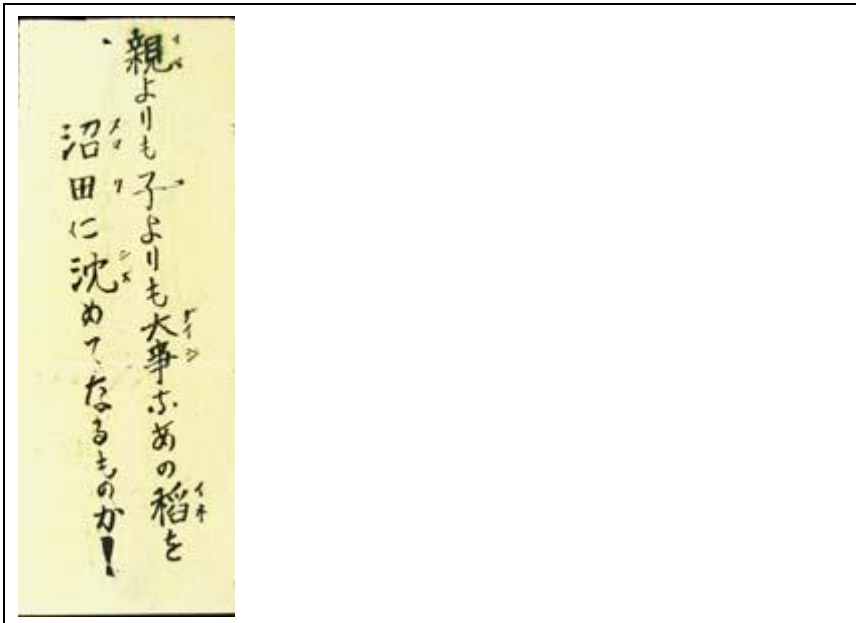

24x33cm

Do the monster land lords mean to kill us by seizing our crop? Beat them down into the muddy paddy!

1928

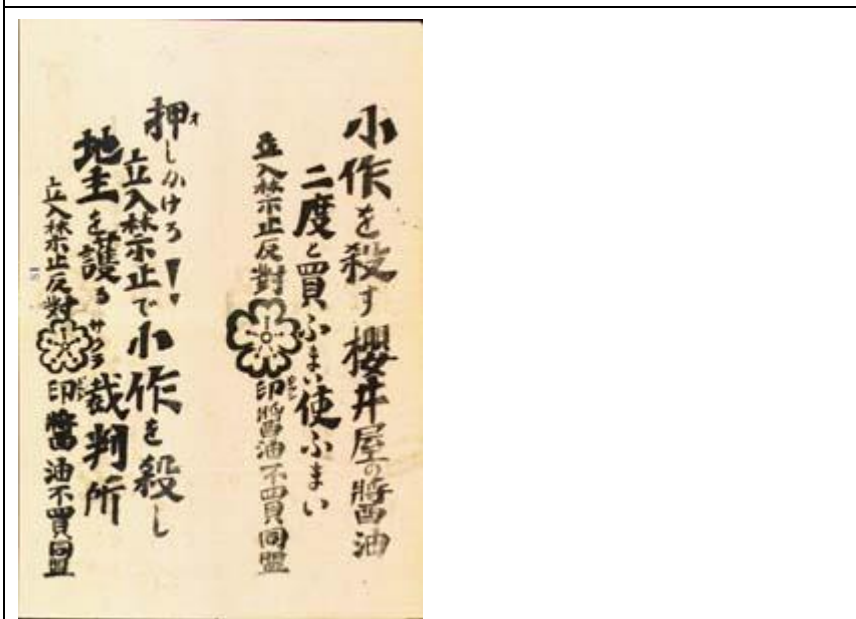

11x30cm

Crop is more important than parents or children. We won't possibly let it sink into the muddy paddy!

1928

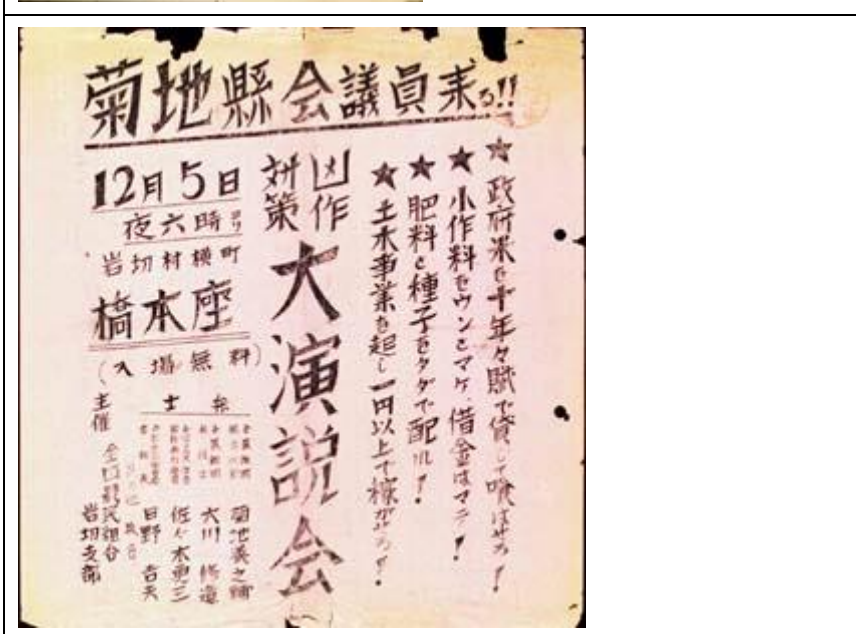

12x30cm

We will never again buy or use the sharecropper-killing Sakuraya's soy sauce. We resolutely oppose land lockout. Sakuraya soy sauce boycott coalition. Go! To the courtroom which kills sharecroppers and protects landlords by upholding land lockout. We oppose land lockout. Sakuraya soy sauce boycott coalition.
