Let's use the villagers' pressure to reconvene the village council. Where is the 18,935 yen in the Funds for Owner-Farmers (自作農資金) for Tomizato village going? The village council that supported land-selling landlords and village loans to purchase land are illegal village councils (according to item 50 of the Towns and Village Code)! Reconvene the village council immediately! Hold a village meeting and supervise the village council! The Committee to oppose Lending of the Funds for Owner-Farmers (自作農資金) in Tomizato village.

All farmers, participate in the brave "Lend us rice" movement!!! Chiba farmers self-ruling association. The well-being of all farmers determines the welfare of the empire. Rescue farmers on the brink of starvation! There are fifty thousand households that lack rice in our prefecture. Three hundred thousand comrades are crying in starvation. Postpone loan payments for five years. Cancel interest for ten years. Release government held rice immediately. Stabilizing farmers' livelihood is the most virtuous thing to do right now.
