

## Posters and Stickers of Farmers' Movements (11)

All farmers, join the ZNK (National Farmers' Union)! We got a recession, poor harvest, and low prices; lower the sharecropping fee on paddy land by a third! Cocoon and vegetable prices have all gone down; lower the annual tribute on farmland by a third, too! They've started the movement in the Akiyama, Moriyama, and Nakanomura sub-offices; we are going to start one in Takakoka, too! Landlords should pay for insecticides! Landlords want to split the cost of insecticides fifty-fifty; do you take us for fools?

Kick out Takasaki Taichi, the number-one trial-loving man in Japan! Expel Taichi who bullies cultivators! Drive out the evil monster landlord Takasaki from Kita Buzen. In the poor harvest of 1929, the entire Nishitani region was exempt from taxes, but this bastard did not even lower the rent by one go, and went so far as to sue us! In 1930, all the other landlords lowered the rent by a third indefinitely, but this bastard did not even lower it a single go, and he is now suing us! All union members should kick him out immediately!

The seventh meeting of the Zenno hosa. Farmers can't eat because of the recession and dry weather. Lower the rent payment in rice. Give us government welfare rice now! Delay the collection of taxes on farmers and cultivators. Pass a law to prohibit the one-year holding of rice.

Cultivators' worries should be directed to the Zenno hosa TK. We oppose unions that cooperate with landlords. Everyone! Has your landlord told you before the planting season "You can't plant this year" or "Return the paddy"? The land is the farmer's life. We oppose land rent hikes! Have you been concerned about your paddy or sharecropping? Zenno is a union that protects cultivators' land and livelihood.
